THINKING OUT LOUD

By H. M. L.

President Truman having taken the labor bosses to his bosom and having coddled them like pampered darlings, suddenly tires of their antics on his lap, remembers that he is leader of all Americans, and now wants punish all labor by drafting working men, who strike "against the government" into the army and forcing them to work. As a war measure there can be no question he should have such authority. But the war is over, nominally at least, and as a peace time measure, we are not for it.

We agree with labor leaders that forced labor is a long step toward fascism. Having won a war against fascism we want no truck with fascist methods in this country.

We believe with a lot of thinking Americans that what we need is a law to make labor responsible for its outrageous violations of law, such as mass picketing. We need a law to compel arbitration with severe penalties to the union, not the individual members, for violations of arbitration decisions. Since the unions have accumulated enormous funds, that compare very favorably with corporae reserves, we believe that unions should he regarded as corporations and placed under the same restrictions as corporations. When we hear of a disgruntled chief of railroad engineers who has 47 million dollars in his treasury and promises to use every cent of it to defeat a president who has offended him, we are deeply impressed with the power such a labor boss has to do mischief in this republic.

We believe the labor bosses should be stripped of much of their power. W think when huge sums have been accumulated in union treasuries, it should not be within the power of a few officials of the union to spend it as they see fit, but all expenditures should be referred to union members for an O. K. and that uses of such funds for politial purposes should be as strictly limited as they now are for corporations.

We do not especially blame President Truman for getting good and mad when all efforts of the King's men and King's oxen failed to avert the railroad strike. Roosevelt in appointing him vice president, for that was what it amounted to, picked a man who would give him no uncomfortable moments and no rivalry in fierce light of publicity that beats upon the White House. In the small task of heading off some of war extravagances, as head of the Senate Truman Committee, the successor to Roosevelt did an excellent job. There was that much to be said in justification of Truman's appointment.

But now as heir to Roosevelt it is increasingly apparent that he is not and cannot fill the shoes of the Great New Dealer. To come to Congress in an exasperated mood and ask that the rank and file of labor be punished for the sins of their leaders, we think is swinging too suddenly from pianissimo to fortisimo. The union bosses pampered so long by Congress and administration are now dreadfully angry. We hope their wrath lasts until June 4 and that they do turn out all those representatives who soft soaped them one day and bludgeoned them the next.

Every intelligent American knows the reason that organized labor has gotten out of hand. It is because they have been given privileges for the past thirteen years, instead of rights. They have had so much ambrosia handed them on silver platter that they now demand golden spoons to eat it with. What organized labor now needs is the same course of sprouts handed the corpoations over a generation ago. The economy of the country has been deliberately thrown out of balance by granting labor conccessions, in return for votes, that no group in America should be granted. One reason for continuous strikes under the New Deal and, let us not forget, during the war, is the unrebuked greed of leaders for power. Let us remember the vast demands that John L. Lewis made of the late President Roosevelt in return for the half million dollar contribution made by Lewis to Roosevelt's election. Lewis thought he had bought more than he actually had.

CITY MOURNS ITS WAR DEAD ON MEMORIAL DAY

The parade in honor of the war dead of Nevada City and Grass Valley starts this Memorial Day morning at 10 a. m. at the intersection of East and West Broad Street. The marchers will proceed down Broad Street, up Boulder Street to the Pine Grove Cemetery, where services will be held under the direction of Fred C. Garrison, Commander of the Banned Mountain Post of Veterans of Foreign Wars.

The order of the parade is as follows: Commanders of the Veterans of Foreign Wars, the American Legion, and the Canadian Legion; colors and color guard; ;firing squad—12 soldiers from Camp Beale; Banner Mountain Post of the Veterans of Foreign Wars;; Veterans of Foreign Wars auxiliary; Hague- Thomas-Heganty Post of the American Legion; American Legion Auxiliary; Sons of the Legionnaires; ;the Canadian Legion; the Grass Valley high school band; led by Hal George; high school and elementary students of Nevada City, carrying flowers for the graves of the war dead.

The program at Pine Cemetery will open with the bugle call 'Assembly" by Howard Tryon, the VFW bugler, followed by the Star Spangled Banner rendered by the Grass Valley high school band and those assembled. The invocation will be by Carl Hieronimus VFW post chaplain. Fred Garrison, post commander will read General Logan's Memorial order of the day, number eleven.

The Grass Valley high school band will render a selection, to be followed by an address by Lt. Col. John H. Hanson, personnel officer at Camp Beale. Col. Hansen served as adjutant general of the 79th Infantry during World War II, when he participated in many of the battles of Normandy, the Rhineland and Germany.

Memorial rites, including the laying of floral wreathes upon the graves will be carried out by the officers of Banner Mountain Post, VFW, The ceremonies will end with a rifle salute by the Camp Beale firing squad, and the bugle call Taps, and echoes by Howard Tryon.

Members of Banner Mountain Post were smart in their newly acquired overseas caps.

The schedule for the parade provided that in case of rain, memorial services be held in the elementary school auditorium.

COUPLE CROSSING US ON HORSEBACK VISIT NEV. CITY

Two of Nevada City's most rugged visitors in recent days are Mr. and Mrs. Steven Thwing, who were in town Wednesday, passing through on their way from Napa to the state of Maine, planning to make their transcontinental trip entirely on horseback. Averaging ten to fifteen miles per day and camping by the roadside at night, the Thwings left Napa a short time ago with three horses, Angel, Buddy and Charcoal.

Their trip has so far been a great success.

Their itinerary, which they figure will take them about a year, is planned through Donner Summit, Reno, Lovelock, Winnemucca, and Twin Falls, Idaho, in the immediate future. Because of fencing, they have necessarily stucck to highways thus far, but when they get into the wide open spaces of Nevada, they hope to go cross country, both being ardent nature lovers.

The Thwings are looking forward to visiting relatives when they arrive in Maine, and then plan to return all the way to Sheridan, Wyoming not by horsebacck, they hope. In Wyoming in the high country more or less unsullied and unfenced by man, they hope to go into fur ranching.

Nineteen In Mount St. Mary's Commencement

Nineteen students, graduating from Mount St. Mary's Business School and high school, will receive their diplomas Monday night, June 3rd at commencement exercises in St. Cecelia Hall. Most Rev. Robert Armstrong, Bishop of Sacramento, will present the diplomas.

Following a processional, Pomp and Circumstance by Edgar Tiger and a choral number, Ship of State. Miss Barbara Bering of Carson City, Nevada, will make the chief address on the topic, Between War and Peace. Donna Underwood of Nevada City will play a piano selection, followed by choral entitled, Clouds.

Most Rev. Armstrong will then address the graduates and hand them their diplomas. The program will close with another choral and the recessional. Mrs. Grace Raymond will play all accompaniments.

Will Of J. Earl Taylor Is Filed For Probate

The will of J. Earl Taylor who died May 20 was filed for probate Monday. The will creates a trust for his estate to be administered by the Crocker National Bank of San Francisco as trustee.

Proceeds of the estate are to be paid to Mrs. Emelie L. Taylor during her life. At her death the trust is to be terminated and two daughters Mrs. Marian L. Newlove and Mrs. Sybil J. Jones are to share equally in the state. Value of the estate was not mentioned.

Taylor for many years was an officer and latterly president of the Nevada County Narrow Gauge Railroad Company prior to its sale during the war. He was interested in foundries and hotels and conducted an insurance and real estate business.

NEVADA CITY 75 YEARS AGO

From tables kept at the office of the South Yuba Canal Company of this city were obtained the following rainfall figures for each month during the season: October 3.82 inches; November 4.32 ; December 5:32; January 11.08; February 6.26; March 5.44; April 6.49; May .86. Total for the season was 43.56 inches.

The Transcript, established in 1860 and the first daily in the state outside of the large cities appeared in a new dress of larger sheets and larger new type purchased from Geo. L. Faulkner of the California Type Foundry in San Francisco. Since the Transcript's beginning the founder had been continuously connected with it and the publishers had conducted the paper without change longer than any paper in the state except the Sacramento Union.

A team driven by Henry Kohler became frightened while crossing the Washington Street bridge and shied throwing horses, carriage and inmates, two children and three ladies, ten feet into the ravine and among the boulders. One horse was killed instantly and the carriage was broken to bits. The passengers were only slightly injured.

In this city on May 28th, Zenas T. Smith of Pleasant Valley was married to Caroline McCloskey of Nevada City. Rev. J. W| Wirth performed the ceremony.

Mr. and Mrs. M. S. Deal owner and publisher of the Transccript were proud parents of a son born on May 29th.

NEVADA CITY 50 YEARS AGO

Hydraulic Parlor appointed J. C. Nilon, W. J. Monk, Chas. Woerner, E. B. Power and Ed Grissel a committee to decorate the graves of Native Sons on Memorial Day.

George Fletcher, George Mainhart and Dr. W. C. Jones interested in repairing and improving Glenbrook Park were circulating a document in Nevada City and Grass Valley asking for subscriptions to the capital stock of a new company which they proposed to organize. The property was offered for sale at a low price and the new corporation intended to buy it and put the grounds in good conditions and hold races and other sports events there. Nevada City had subscribed to 300 shares of the stoock at $50 per share and it was hoped Grass Valley would make as good a showing.

There were seventy five subscribers to telephone service in Nevada City.

ANOTHER HETCH HETCHY PIPE LINE IS PLANNED

SAN FRANCCISCO, May 30—Preliminary plans for a 47 mile pipeline from Hetch Hetchy to Knight's Ferry in Stanislaus County at a cost of $10,000,000 were announced last week by utilities manager James H. Turner.

Turner said the new pipeline is made necessary by the steadily increasing demand for water in San Francisco. Financing would be by a bond issue to be submitted to the voters within the next year or two. Construction would require three years.

THIRTY EIGHT IN NEVADA CITY HI COMMENCEMENT

Thirty eight members of the class of 1946 will graduate at the sixty seventh annual commencement exercises of the Nevada City high school to be held in the school's auditorium Thursday evening, June 6.

The program follows: Processional, invocation by Rev. An electric railroad between Grass Valley and Nevada City had been talked about for years but had only been built on paper. The Hon. John F. Kidder who owned a franchise for an electricc railway had about completed negotiations whereby the Nevada County Electric Power Co. would come into possession of the franchise and build the road.

O'DONNELL TELLS COST OF ORDER CLOSING MINES

Addressing the Grass Valley Rotary Club at luncheon as guest speaker Neal O'Donnell, general manager of the Idaho Maryland Mines Corporation, declared that the closing order $208 shutting down the country's gold mines during war, cost the Idaho Maryland three quarters of a million dollars.

He stated that the order caused losses in all gold properties and some of the smaller mines are not able to reopen under present economic and market conditions. He said that the present prospect for Nevada County mines s "not very good." The Idaho Mayland which now employs 250 men could put 300 more to work immediately if they were obtainable. He said that the combined mines of the corporation are actually short 1500.

One of the chief bottlenecks to increased employment in local mines, O'Donnell said is the lack of housing for miners and their families.

FUNERAL HELD FOR MATHILDE VIRGIE SCHMIDT

Funeral services were held in St. Canice Catholic Church yesterday at 10 a. m. for Mrs. Mathilde Virgie Schmidt who died in San Francisco Sunday. Interment was in the Catholic Cemetery.

Mrs. Schmidt was a native of North Bloomfield, Nevada County, and following her graduation from schools there, taught school in her home community. She was the widow of Ed W. Schmidt who died eight years ago, for many years deputy county assessor.

She leaves one daughter Mrs. Joseph D. Regan of 515 Ninth Avenue, San Francisco.

Mrs. Schmidt in former years took a prominent part in Nevada City theatricals. She sometimes acted as Madame Interlocutor for minstrel shows staged by the Nevada City Elks.

CANDIDATE WHO USES DECEPTION IS EXCORIATED

With the flat accusation that Harry E Riley a candidate for state controller is trading on a dead man's name, the San Francisco Chronicle expressed its opinion of such political tactics in an editorial published a few days ago. Under the heading "Kuchel is the controller" the Chronicle said:

"We have aforetime seen attempts to trick the people into voting for some unknown under the impression they were casting their ballots for a well known man of the same or simliar name. Seldom, however has there been so flagrant a case of trading on a dead man's name as the present candidacy of one Harry E Riley for state controller.

"This Harry E. Riley an electrical salesman with no experience in public office, is being presented to the people of California in terms which though they avoid direct untruth, can easily lead the average voter to believe he is the late Harry B Riley for eight years state controller until his recent death.

The misleading nature of these statements appears in this example: 'Elect Harry E Riley your state controller. Past experience merits election.'

"No one should be fooled into thinking the past experience thus cited was in the controller's office. Whatever other past experience this Harry E Riley may have had is to no point. The character of his bid for the office or the bid being made for him is enough to condemn his candidacy.

"We do not question the right of Harry E Riley to run, under his own colors, for any office he wishes but we do this apparent attempt to throw dust into the eyes of the voters and make them think he is another man.

"When the late controller, Harry B Riley died, Thomas H. Kuchel, a state senator and former assemblyman, a man highly qualified was appointed to the vacancy. Kuchel now is state controller and he should be elected."

CARNIVAL TO RAISE FUND FOR GIRLS CAMP

Council members of the local Girl Scouts met Monday night at the scout hall on Broad Street. The most important business before the meeting was further plans for the permanent camp site at Scotts Flat.

On June 14 the Business and Professional Womens Club is sponsoring a carnival to be held at Pioneers Park for the benefit of this camp fund. There will be plenty of amusement for both youngsters and grown ups. Also dancing in the club house. The club women hope for a good crowd to help this worthy cause fo the Girl Scouts.

US ABILITY TO THWART WORLD DISASTER TESTED

Hunger stalks the world, and the ability of the United States to stave off disaster will be deided in the next six months according to Senator William F. Knowland in a statement broadcast. OPA should not be abolished at this time, he said.

"Both in Europe and Asia I saw what hoppens to a nation's economy when inflationary pressures explode" Senator Knowland said. "Take Greece as an example. Greece had a system controls yet wages multiplied six times over and food prices increased ten fold. Then controls were removed. Food prices then increased 9.2 times, and wages 30 to 50 times over pre war level. Wages were chasing prices and prices were chasing wages, with the result that the real wage of the worker was decreased.

"It is for this reason that I believe it would be unwise to abolish OPA in the United States at this time. During a limited period it is our duty to establish policies that will stimulate and not stifle production. It si apparent to every one that the real enemy of inflation is production and more production.

"Twice in less than 30 years the United States became a major factor in two world wars. Twice we have come to the assistance of a war torn world.

"It is in the hope that nations may learn to settle disputes by means other than war that we have given our full support to the United Nations. By conference table methods we are seeking a better way than to resort to arms to settle international differences.

"I also believe that there is a better way of solving our economic problems than by the costly method of industrial warfare, through which the nation is now passing. Our aim should be to preserve the fundamental rights of labor and the system of collective bargaining. Labor unions have done much to improve the American standard of living and to contribute to the nation's welare. They must do nothing now that would destroy that record."

Baccalaureate Service Sunday Evening

The baccalaureate service for Nevada City high school graduates will take place Sunday evening in the high school auditorium. The class will be attired in the usual caps and gowns.

Rev. Joseph Moore, pastor of the Methodist Church will pronounce in the invocation. Rev. Virgil Gabrielli of St. Canice Catholic Church will deliver the baccalaureate sermon and Rev. Angus C. Miller, rector of Trinity Episcopal Church will pronounce the benediction.

CALIFORNIA TOMORROW

During the past two decades considerable national publicity has been given to visualizing by leading architects and planning artists on what "the city of tomorrow" will be. Based largely on population increases and the development of modern transportation these plans are not as fantastic as the average reader might believe.

For California that "tomorrow" is nearer than many realize. Statisticians who apply certain known and reliable indices of growth, already claim that California now is the second largest state in the union, ranking second only to New York. Perhaps it will take the 1950 census to prove or disprove the claim. Notwithstanding the outcome of Uncle Sam's decennial nose count four years hence certain facts are evident even to the layman.

California contributed several times more men and women to the armed forces in the recent war than it did in World War I. It is presumed that most of those who survived will return—many with wives and families acquired abroad. A large percentage of our armed forces either trained here or in passing through California to various theatres of war fell in love with the state's many charms. A survey by various organizations shows that most of these want to return here to live.

The state's growth due to its war time industrial expansion was believed by many to be only temporary. Some war workers did return to their home in the east but their places have been taken by many more who had been prevented from coming here, due to war time travel restrictions.

All of which points to an imperative need for planning on a statewide scale, for the provision of ample highways, airports, housing, recreational facilities and all the other major things which people demand in order to live, work and play here. It is not improbable that plans for tomorrow which seem fantastic today will—when that tomorrow arrives—make us all feel a bit sheepish for ever having held our tongues in our cheeks when viewing them.Contributed.

LET US SAVE WHAT IS LEFT

Editor, Nevada City Nugget,
Dear Sir:

The end of the war, instead of bringing peace and prosperity to the country through production effort, has brought us nothing but dissatisfaction, strife and inflation to the extent that we, as a nation, are nearer today to dissolution than we ever were before.

Never before has congress and an administration proven so utterly negligent and inefficient as the so-called New Deal bureaucrats now holding the reins of governments in Washington. Any intelligent person, regardless of party, realizes that we must make a change if we are to preserve what is left of our rapidly disintegrating democratic form of government.

For thirteen years now we have been dominated by the New Deal, which flouts the ethics upon which true democracy is based and even stoop to ingratiate itself with democracy's worst enemy—the communist element—in order to perpetuate itself and its socialistic tenets upon the people.

The Second Congressional District is the largest in the state and covers a wealth of agricultural and mineral territory. Both have suffered at the hands of bungling bureaucrats whom we did not elect nor have any way in choosing. and when we are powerless to get rid of short of a complete ousting of the present administration.

Now Mr. Engle has been very active in keeping himself before the public eye, but being a party man, must do of course as the New Deal administration wants him to do if he wants to keep in its good graces. So, keeping Mr. Engle in Washington isn't going to help any in getting rid of the bureaucrats that inflict their dumb theories upon us. We Must Clean House.

We must send a representative to Washington who, instead of prostituting himself to political hacks, will make an effort to do something for the people who sent him there and will also do his part in restoring the principles of democracy.

Andrew W. Rogers, the endorsed Republican candidate, has been outspoken in his condemnation of the bungling regulations of the OPA and other alphabetical agencies that have hampered agriculture, practically destroyed mining, flimflamed the veterans and coddled a few so-called labor leaders until they cebame a menace to all the people.

With Andy Rogers in congress we can be sure that he will devote his energies toward a better and saner government. And that is what every thinking man and women should pray and vote for. Mr. or Mrs. or Miss Voter, it is up to you, the Primary Election Tuesday, June 4, 1946—Look well to your ballot.

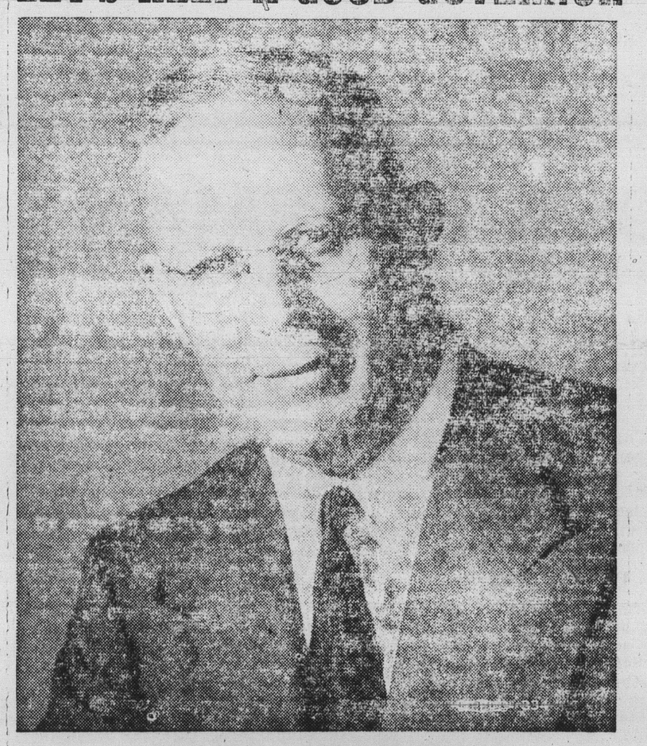
LET'S KEEP A GOOD GOVERNOR



Vote for EARL WARREN June 4

What the Voters Say:

John Q. Public—I am voting for Earl Warren because he has been honest and courageous.

Veteran—I am voting for Earl Warren because, as a veteran, he understands the problems of the veterans in finding jobs and homes.

Woman Voter—I am voting for Governor Earl Warren because he has carried out an unlimited program for welfare and health.

Labor—I am voting for Earl Warren because he has been a true friend of labor. On his record he has won the endorsement of the State Federation of Labor, A. F. of L.

Business Man—I am voting for Earl Warren because he has put the State government on a sound business basis and reduced our taxes.

Farmer—I am voting for Earl Warren because he understands the problems of the farmer—he is always mindful of the farmer's needs.

A GOOD GOVERNOR FOR ALL THE PEOPLE!

NEVADA COUNTY BUS LINE

TIME SCHEDULE

MESSAGE TO THE PEOPLE OF NEVADA COUNTY

In less than two months that I have operated your bus line, I have added four schedules each way between Grass Valley and Colfax, one schedule each way between Nevada City and Auburn, one schedule each way between Grass Valley and Marysville with improved connections at Auburn, Colfax and Marysville with Greyhound through and limited schedules. One new bus has been added to the fleet, and the Grass Valley depot has been kept open for longer and more regular hours to serve the patrons. With your continued support and increased patronage, I hope to further improve the service and equipment.

With schedule changes effective June 2nd, it will be possible for you to make a round trip by bus to San Francisco in one day, or arrive in Sacramento or Marysville before the heat of the day sets in. If you live on or near the highway between Colfax or Grass Valley, it will be possible and practical for you to commute to your work in Grass Valley, Nevada City of Colfax. Three times during the day you may depart from Grass Valley for Reno, arriving in that city about 3 hours later, and twice daily you may make direct connections at Marysville with fast schedules north.

Any suggestions that any of you will make toward the improvement of bus service will be appreciated. And remember, the more you use this bus service, the better service can be furnished. Tell your friends about the improved transportation facilities to and from Nevada County and help build toward this better service. Thank you again for your patronage and support.

MOTORISTS KILL MANY DEER

SACRAMENTO, May 30—Emil Ott, executive secretary of the California Fish and Game Commission today asked the help of all California sportsmen in preventing the needless slaughter of our deer population on the mountain highways in the state.

"The exodus of fishermen into the mountain areas this season is far greater than in any previous year and many deer are being accidentaly killed on the highways by the motorists," Ott said.

One fish and game warden, William LaMarr of Tahoe City reported that he had found 15 deer slain by motorists on highways in his district since the opening of trout season.

CHRISTIAN SCIENCE CHURCH

Christian Science Society of Nevada City holds services every Sunday in their church, 114 Boulder St. at 11 o'clock. Sunday school at 9:45 a. m. A Wednesday evening testimonial meeting is held on the first Wednesay of each month at eight o'clock. Our reading room is now located in the church edifice at 114 Boulder St and is open Mondays, Wednesday of each month at eight excepted from 2 to 4 p. m. The public is cordially invoted to attend our services and visit the reading room

The subject of the Christian Science lesson sermon for June 2 is "Ancient and Modern Necromancy alias Mesmerism and Hypnotism, Denounced." The golden text is from the 73rd Psalm: My flesh and my heart faileth but God is the strength of my heart and my portion for ever. For to they that are far from thee shall perish" 26-27.

Included in the sermon are the following citations:

Psalms 37:39: "But the salvation of the righteous is of the Lord; he is their strength in the time of trouble."

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The weapons of bigotry, ignorance, envy fall before an honest heart" p. 464.

S. F. FARMERS MARKET IN DANGER OF CLOSING

SAN FRANCISCO, May 30—San Francisco's Farmers Free Market where $5,500,000 surplus and distressed crops from northern and central California have been sold in the past three years is in donger of being closed.

The board of supervisors by a vote of 7 to 3 has decreed in effect that the market must go out of existence June 30. Supporters of the market however are optimistic that past three years is in danger of beopen.

The board's actoin came on a vote to appropriate $10,000 to surface a new site for the market, to which it must move when the lease on its present location expires at the end of June. The new site near Alemany and Bayshore boulevards would cost $62,000.

The board's action came on a vote strong opposition from merchants in San Francisco's commission district, a belief that the voters should pass on the appropriation and declining seasonal receipts at the market.

Supervisor Dewey Mead led the fight to save the war born market which citizens of San Francisco voted 5 to 1 last year to make permenent.

Elect -- DON HOFFMAN

REPRESENTATIVE TO CONGRESS, 2ND CALIFORNIA DISTRICT

PRIMARY ELECTION JUNE 4, 1946

WORLD WAR II VETERAN MAKES BID FOR CONGRESS ON REPUBLICAN TICKET

DON HOFFMAN

Top Business On Hoffman's Card:—

1 Represent the people of the 2nd District.

2 Guarantee the peace and security of America by every means available to us.

3 Retain every single advantage in war or trade that we have won.

4 Clear the way and get back to business on the American standard, with people at the wheel that know how it can be best and most quickly accomplished.

5 Elimination of the heavy bureaus of government, putting their chiefs to work on the accomplishment of their mission rather than the assumption of legislative control over our economy.

6 Reorganization of our armed forces at the earliest possible date, correcting many conditions effecting the morale and leadership of the Army and Navy. Make the services attractive to American youth by affording technical training and pay comparable to the same skill in civilian life. Afford men and women of the services increased opportunities to round out their education including many subjects leading to college credits. Continue and strengthen the War Department Industry teamwork, that will permit a changeover to defense production at a rate even more speedily than was accomplished in the present emergency.

7 Maintain a constant and vigorous interest, in congress, of veterans affairs and speed up action on all legislation for accomplishing present and future commitments to ex-service people.

The 2nd Cong. district comprises the counties of Alpine, Amador, Calaveras, El Dorado, Inyo, Lassen, Mariposa, Modoc, Mono, Nevada, Placer, Plumas, Shasta, Sierra, Siskiyou, Tehama, Trinity and Tuolumne.

A Californian

Don Hoffman was born in Stockton, California, in 1898. His parents were also natives of this state, coming from Nevada County, where his father was active in mining activities for some years, before entering the newspaper field, where he completed a thirty year career.

Pp from Army Ranks

Hoffman enlisted in World War I as a private in the Corps of Engineers, and was discharged in 1919 as a Sergeant 1st Cl. He then entered the Reserve Corps and in the ensuing years, was promoted from Lieutenant to Captain and to Major in 1940. He resigned his position as County Engineer in 1940, to again enter the Army in connection with the great defense program then started. He went to Washington, D. C. where he was engaged in the design of new plants, and writing of contracts for the construction of them. In 1941 Hoffman, then Major, was engineering officer on the construction of the $37,000,000 Elwood Ordnance Plant, and when this plant was brought into operation he was made Commanding Officer, with rank of Lieut.-Colonel. Upon the expansion of the Office of Chief of Ordnance, Hoffman was assigned as Chief of Administration of all shell and bomb loading plants in the U. S. with offices with the Field Director at St. Louis.

Selected for A. M. G.

In 1943 Colonel Hoffman was selected for the group to organize and train the new organization for American Military Government and Civil Affairs in the European theatre. He attended the University of Virginia, the Provost Marshall's School at Camp Custer and studied German and French languages at the University of Wisconsin, before going overseas. His regiment, the 1st Civil Affairs Regiment was staged and trained in England, and assigned to First Army for the invasion. This regiment was later also attached to the Third, Seventh and Ninth Armies, and to the 12th Army Group. Detachments of Hoffman's regiment set up the civil and military government of practically every city taken and occupied in France, Belgium, Holland and Luxemburg, and part of Germany. The organization was an unique one, comprising American, French, British and Russian officers and men. Hoffman was promoted to full Colonel in 1943. He was awarded the Legion of Merit at Supreme Headquarters in Frankfort, Germany. In Paris, Colonel Hoffman was decorated by Gen. DeGaulle with the French Croix de Guerre with Palm. He also was awarded the Belgium Military Cross first class and the Courrone de Chene of the Duchy of Luxemburg. Hoffman is now on terminal leave from the service and holds the permanent rank of Colonel in the Organized Reserves.

Is Civil Engineer

Hoffman is a Registered Civil Engineer of the State of California. He has had a wide and varied experience in the field of both civilian and military engineering. He was for over ten years engaged with the federal government being with the U. S. Geological Survey, the U. S. Forest Service, the Public Roads Department, and the Federal Power Commission. Practically all of his work was closely related to the counties now embraced in the 2nd Congressional District and included mapping, mining investigations, hydro-electric power surveys, and construction of roads. During this period, Hoffman headquartered with the Regional offices in San Francisco.

Experienced in Business

In 1929 Hoffman resigned from Federal Service to enter the business field and was District Manager of the Northern California and Nevada district for the Edw. R. Bacon Company of San Francisco, with offices in Sacramento. This work involved design, sales and services to the construction industry and to the cities and counties of the district.

In CCC Program

In 1933 Hoffman then Captain, reserves returned to the Army in connection with the Civilian Conservation Corps program as Construction Engineer and built many installation Engineer and built many Nevada and California. He was later made Commanding Officer of several camps, all in the Sierras of California..

Entered Politics in 1938

Hoffman returned to civilian life in 1938, to run for the office of County Engineer of El Dorado County in which campaign he was successful. Under Hofman's guidance many county projects were completed in El Dodado County including bridges, roads, airports and fairgrounds. He held this post until 1940 when he resigned his office to go to Washington, D. C. in the present emergency.

All of Family in Service

Two sons, Bill 25, and Jim, 18, had foreign service with the U. S. Army. Bill served in Italy, North Africa and Eritrea, and after a short leave in the states, served two more years in Burma and China. Jim, entered the service in 1945, and is now a private in the U. S. Marine Corps in China. Mrs. Hoffman spent 2 years in Burma and India in charge of the Red Cross Canteen units at the "jump off of the famous "hump" between Assam, India and China.

Hom in Placerville

Don Hoffman is registered as a Republican in El Dodado County where he has made his home for the past 12 years. He holds membership in the American Society of Civil Engineers and has been active in Lions, Elks, and in many community activities.

48½ HOURS San Francisco-Chicago on the daily OVERLAND LIMITED

STARTING JUNE 2

Eastbound Overland Limited descending from 7000-foot Donner Summit in the High Sierra. Donner Lake below. (Drawn by Amado Gonzalez.)

Over the High Sierra by daylight!
NO EXTRA FARE!

Starting June 2, from San Francisco and Chicago, the *Overland Limited* will speed daily between those cities in 48½ hours eastbound, 49⅓ hours westbound —fastest no extra fare schedule in history for this run. Half a day faster than pre-war, the new schedule gives you a daylight trip over the spectacular High Sierra both ways.

STREAMLINED PULLMANS AND CHAIR CARS TO CHICAGO

The new, faster *Overland Limited* will carry streamlined Pullmans and chair cars to Chicago. As additional light weight cars can be obtained from the builders, the *Overland Limited* will be completely streamlined with the most modern equipment. In the meantime, lounge cars, dining cars and coffee shop cars on this train are being refurbished and redecorated for the faster service starting June 2.

Here is the sensational new schedule of Southern Pacific's *Overland Limited*—the first time in history, remember, that such fast service has been provided *without extra fare!*

EASTBOUND		Starting
Lv San Francisco (Ferry)	11:30 a.m.	June 2
Lv Oakland (16th St.)	12:09 p.m.	June 2
Lv Sacramento	2:20 p.m.	June 2
Lv Reno	7:30 p.m.	June 2
Ar Ogden (PST)	6:15 a.m.	June 3
Ar Chicago	2:00 p.m.	June 4

WESTBOUND		Starting
Lv Chicago	3:00 p.m.	June 2
Lv Ogden (PST)	7:40 p.m.	June 3
Ar Reno	6:28 a.m.	June 4
Ar Sacramento	11:30 a.m.	June 4
Ar Oakland (16th St.)	1:42 p.m.	June 4
Ar San Francisco (Ferry)	2:20 p.m.	June 4

48 hours to St. Louis. Starting June 2, the *Overland Limited* will carry a through streamlined Pullman to St. Louis, arriving there at 1:40 p. m., more than 18 hours faster than at present.

Through Pullmans to New York will continue to be carried on the *Overland Limited*, but after June 2 the through schedule will be much faster.

S·P The friendly Southern Pacific

254B

FASTER PACIFIC LIMITED

Starting June 2, *Pacific Limited* will operate on much the same schedule as the present *Overland Limited*, between San Francisco and Chicago. Standard Pullmans to Salt Lake City, Denver, Omaha and Chicago. Club car.

Through Pullman to Washington, D. C., will be carried on the *Pacific Limited* starting June 2.

FASTER CITY OF SAN FRANCISCO

Starting June 2, this crack extra fare streamliner will be back on its pre-war 39¾-hour schedule between San Francisco and Chicago. The *City of San Francisco* leaves San Francisco every three days, arrives in Chicago at 10:15 the second morning.

FASTER SAN FRANCISCO CHALLENGER

Popular economy train for chair car and tourist passengers exclusively, will also be speeded up.

FASTER GOLDEN STATE LIMITED

48 hours, Los Angeles to Chicago!

No extra fare for this daily 48-hour schedule between Los Angeles and Chicago on the *Golden State Limited*, starting June 2. The *Golden State Limited* will carry all streamlined Pullmans and chair cars to Chicago, through Pullman to New York.

A 39¾ hour, extra fare Streamliner to run between Los Angeles and Chicago three times a week is also planned. We hope to have this train for you early in 1947.

FASTER SUNSET LIMITED

49¾ hours, Los Angeles to New Orleans!

No extra fare for this new daily schedule—fastest train time in history between Los Angeles and New Orleans—starting June 2. The *Sunset Limited* will carry Pullman cars, chair cars, lounge car, dining car and coffee shop car. The *Argonaut*, on this route will be faster, too.

New Sacramento-Los Angeles Daylight. Starting June 2, a through streamlined *Daylight* will go into daily service between Sacramento-Stockton and Los Angeles.

What it all adds up to is this—Southern Pacific and its connecting lines are stepping out in a sincere effort to give the finest train service ever offered to the East.

WARD SHELDON'S STATEMENT TO VOTERS

In his final appeal to the voters, District Attorney Ward Sheldon, who is seeking reelection to his second term, has made the following statement:

"I deeply regret that I have not been able to make a more personal campaign for the Office this year. Since the beginning of the campaign, however, the increasing work of the District Attorney's office has placed severe restrictions upon the time which I would otherwise have been able to give in calling upon the voters in the county. Finally, a recent illness which has kept me confined at home for the past several days has made it necessary to cancel all last minute plans and appointments. I hope that my many friends will appreciate this situation and will understand that it is not by choice, but through necessity that my campaign has been largely conducted through the newspapers and by correspondence.

"I have no apologies to offer however, in asking for reelection to a second term as your District Attorney. The record of my incumbency is open for all to inspect. It indicates, not only an efficient, but a fair administration with thought and consideration given as well to the protection of those unfairly accused as to the prosecution of proven violators. The experience gained in the office during the past term will enable me to better serve you if again elected, and I solicit your support with my promise to continue the policies of the office to which I can new bring the further understanding acquired during my present incumbency."

Whiskerinos To Hold Pep Parade

Chief Ray Sprecklemier of the Whiskerinos announced yesterday that his hairy organization would hold a preview, or pep parade at 7 p. m. Saturday, June 1st, by way of preparation and anticipation of the Fourth of July celebration.

Participating will be the Sheriff's Posse, the Whiskerinoos and the Whiskerettes, garbed in old time Argonaut costumes. A delegation of the hirsutely adorned and decorated will arrive from Grass Valley to take part in the parade, which is to start at the Plaza and continue up Broad Street.

JERROLD SEAWELL IN FIRM STAND TO ENFORCE LAW

By Jerrold Seawell

On Tuesday June 4th the primary campaign for the State Board of Equalization from the third district will come to a close. As a firm believer that every candidate for public office should declare his position and policies, the voters of my district are entitled to my views and I therefore take this means of communicating my intentions to them:

"The State Board of Equalization is one of the most important trusts of the people of this state. When elected to this board I pledge to the voters of this district that I shall always conduct the office with dignity and propriety, fully realizing my responsibility and pledge of good government. I shall also insist that the employees of the district do like wise.

"I will insist that the board administer its tax program equitably to all and with special favors to none.

"The businessmen of California who in reality are the collectors of the sales tax which supplies the money to maintain our eduational system should and will be assisted to make this task a more pleasant one. I promise to provide administration in collection of taxes which will not needlessly harass or persecute any taxpayer. The rights of both citizens and merchants must be respected by the board and its employes. This applies equally to the administration of the truck and motor vehicle fuel taxes which play such an important part in the every day life of the farmer and our business life.

"The enforcement of the Alcoholic Beverage Control Act is the responsibility of the board of equalization. The manner in which this act is enforced will have a direct bearing upon our social and moral standards. I pledge to the mothers and fathers of this district that I will aid in eliminating juvenile delinquency by insisting that those found guilty of selling intoxicating liquors to minors are put out of business. I am sure no citizen or law abiding license holder dare have any objection to this type of management.

"It shall be my policy to aid in curbing druuken driving on the highways. I intend to cooperate with the Tavern Owners and local enforcement officers of my district to bring about a cooperative program that will curtail if not eliminate the problem at its course. I believe by this procedure needless loss of life and property can be eliminated. The beverage industry itself has advocated such a program but for the lack of leadership it has never materialized .I intend to supply this leadership and put the program into effect. If, after investigation additional funds are necessary by the agencies of government charged with this duty, I will advocate, with my colleagues in the legislature that necessary funds are granted.

"The entire tax structure of this state I believe needs a complete overhauling so that the assessment of taxes will be just and equitably distributed. I intend to ask the legislature to appoint a joint committee with sufficient funds to make an intelligent study of this problem. I shall cooperate with this committee to bring about the desired result."

Grass Valley Students Choose New President

There will be 88 graduates on the night of June 7th at Grass Valley high school commencement exercises in the school auditorium. Seats will be reserved for parents and relatives of the graduats.

Richard Walter, president of the outgoing seniors, will greet the commencement audience. Glenn Loney, chosen by his fellow graduates for the honor will speak on the topic: Youth in the World Community. Eva Henriksen, selected by the faculty to give the second address, will speak on the theme: Youth in the Local Community.

Kenneth Hotchkiss talented musician will render a cornet solo. Four senior girls will play a clarinet selection. The quartet consists of Josephine Gliko, Dolores Hamilton, Mary Mann and Verle Jesse Gaddy.

A brass quartet of senior boys will offer a musical number. They are Kenny Langdon, Joe Cortez, Howard Opie and Buzzie Ostrom. Choral selections will be rendered by boys and girls singing classes.

Following the commencement a dance will take place in the old gymnasium.
